Dear Tom:

Finally heard from Don Norman! (b) (6)

A large rectangular area of the letter is redacted with a solid grey block.

Don advises that the Boeing check is promised by Boeing for the mail today. Accordingly, we should be able to send you a check for \$5,000 in a matter of days.

We have had no further developments as to more storage customers. Boeing still indicates an interest in some kind of a continuation deal for part of the tankage. Now that Don is settled down in the area, we should begin to get some indications of our prospects.

Best personal regards,

A handwritten signature in cursive script, appearing to read 'Bob'.

*and thank you for  
your patience!*

Handwritten initials or a signature at the end of the handwritten note.

P.S. No development with Foss yet - we told them we are going to renegotiate.
